

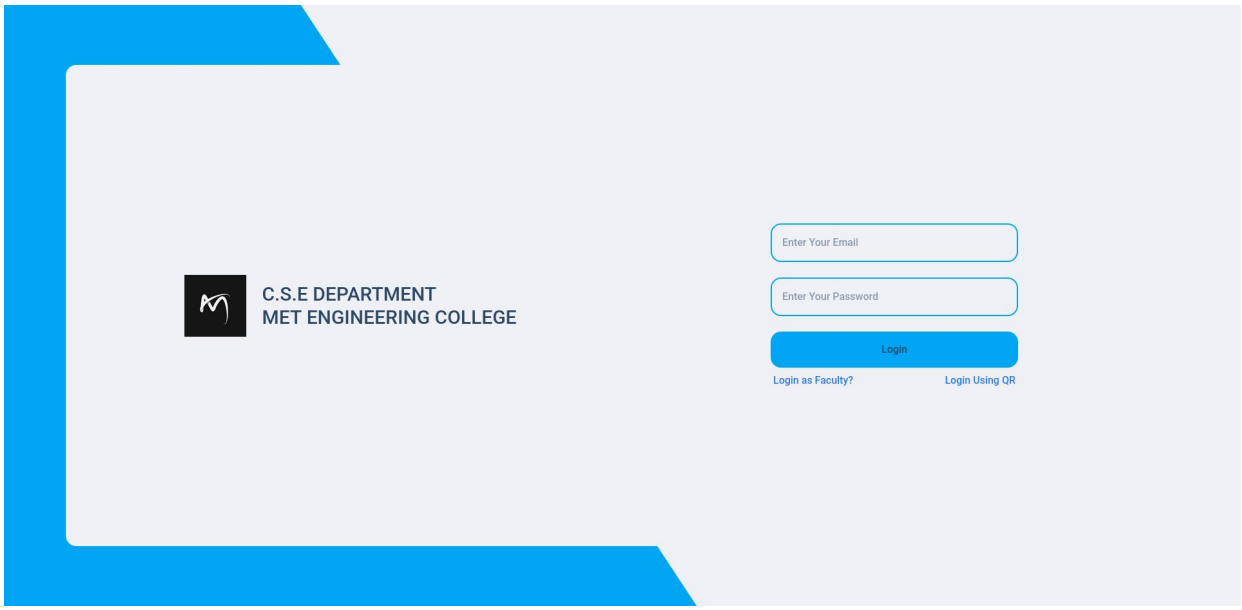

Figure 5.6: Login Page

The login page is the entry point for all users, providing secure authentication. Once logged in, users are directed to their specific dashboards.

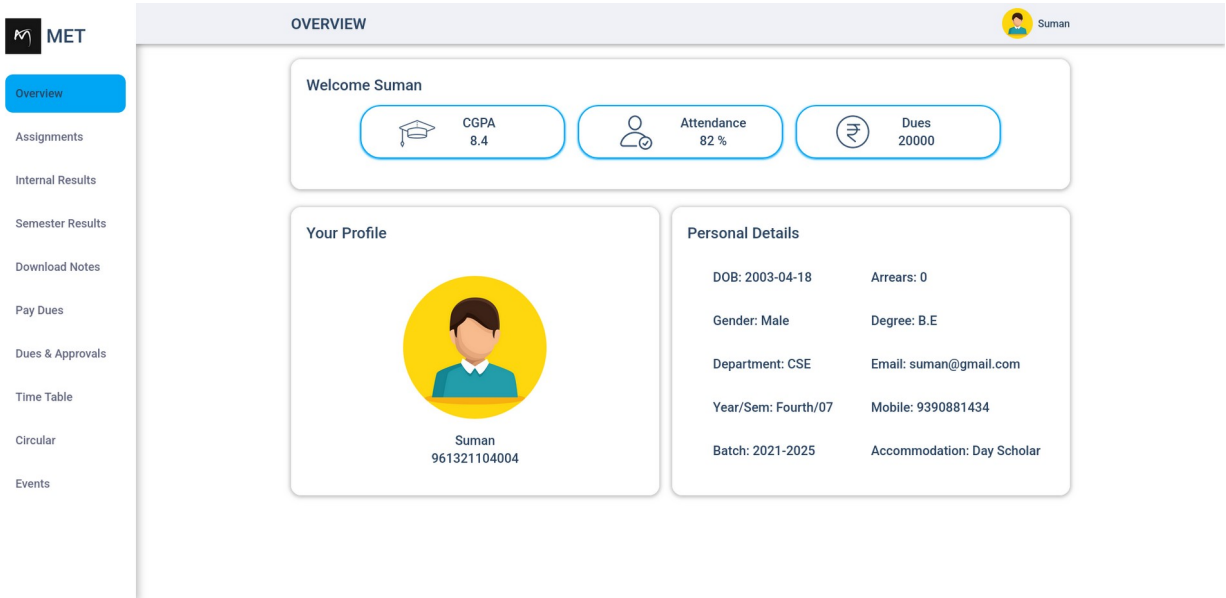

Figure 5.6: Student Overview Page

The Student Overview page displays key bio-data, attendance, CGPA, dues balance, and more. The sidebar offers easy navigation to other sections, creating an organized and user-friendly interface.

APPENDICES

This section contains supporting materials that offer additional context to the system's design and implementation.
